ABOUT US

Cosmo Infr solutions is a leader in designing, executing and Project Management of Engineering Services with a rich experience and strong team of professionals and Engineers. Cosmo has the core competence to plan, execute and manage any kind of engineering project. The experience of Cosmo varies from end-to-end solutions to all kinds of companies in the infrastructure sector i.e. Telecom Sector, Projects pertaining to Renewable Energy, setting up and upgrading Data Centres, construction of Petrol Pumps, laying of underground and overhead Optical Fibre Cable, EV Charging Stations, Railway OHE/TSS construction etc. to name a few.

OUR CLIENTS

- Indus Towers Limited
- Bharti Airtel
- Nextra Data Limited
- NSE- National Stock Exchange
- Indian Railways
- Indian Oil Corporation Limited
- Adani Total Energy LTD
- Vodafone Idea Limited
- OLA Electric
- Efkon
- Fortum
- Gail (India) Limited
- BARC
- Lightstorm

OUR SERVICES

Your Vision, Our Commitment

OUR SERVICES

CIVIL ENGINEERING & CONSTRUCTION

Cosmo Infrasoutions offers the full range of civil engineering services, from large-scale earthworks and infrastructure projects, to residential developments & parking areas. We have history of delivering successful engineering projects, and can offer bulk earthworks road construction, pipelines, utility services installation, road rehabilitation, commercial & residents developments:

- **Civil & Structural Engineering**
- **Geotechnical Engineering**
- **Feasibility Studies**
- **Conceptual & Detail Design**
- **Procurement**
- **Construction Management**
- **Transportation & Infrastructure**
- **Technical Services**

DRAWING & DESIGN

We provide unrivalled specialist know-how in designing state-of-the-art facilities from the initial planning stage through to completion and further add value by our commitment to a sustainable design agenda.

LAND SURVEYING

Cosmo Infrasoutions provides a full-service Land Surveying department. Using the most state-of-the-art equipment available, we can provide our clients with the most efficient methods of field data collection and layout work in the following areas:

- **GPS Surveys**
- **Boundary Surveys**
- **Site Planning Surveys**
- **Topographic Surveys**
- **Land Boundary Surveys**
- **Photogrammetric Ground Control**

All kinds of Structural works, Civil- mild steel work, fome works, block works, RCC works of all high-rise and low-rise buildings.

All types of pre-cast solutions, Like Boundary wall, MH, Shafts etc.

SOLAR

We provide end-to-end solar energy solutions—from consultation and site assessment to installation, maintenance, and monitoring. Our expert team delivers customized, efficient, and durable solar systems that maximize energy production and minimize environmental impact. With a focus on high-quality components and advanced technology, we ensure reliable long-term performance. Our solutions help reduce energy costs, enhance efficiency, and support sustainability goals. Whether for commercial or industrial use, we make your transition to clean, renewable solar energy smooth and cost-effective.

EV CHARGING HUB AND STATION

We offer solutions and services for EV Charging Hub, Stations and Hyper chargers. End to end customized solutions includes Power Infrastructure, Drawing and Design Services for Installations of Chargers for Workplace Charging, Public Charging Station and Charging Hubs for Cars and Bus Fleets

OUR SERVICES

ARCHITECTURAL

Facade works

We are a leading service provider specializing in comprehensive 2D and 3D design and drafting solutions, with a strong focus on timely project execution. Our capabilities include preparing detailed shop drawings for ACP (Aluminium Composite Panel) and glass facade systems, ensuring design accuracy and construction efficiency.

Our core strength lies in the fabrication and installation of high-level ACP facades, using premium fire-rated materials that meet safety and aesthetic standards.

Exterior/ Interior

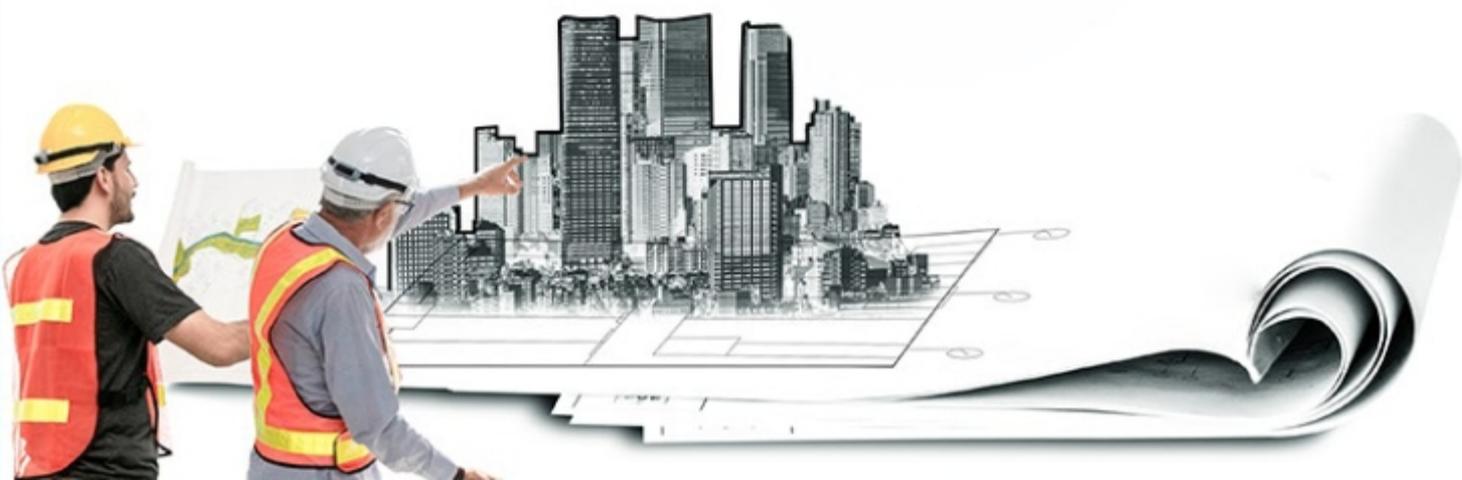

All Kind of Civil, Finishing, Architectural, Structure work, Dry wall Ceiling work, CAC work, Furniture, punning and painting works.

Flooring

All types of Flooring, Raise floors, Epoxy flooring, vinal flooring, tile, granite, Concrete Screeding, Kota stone etc.

Wooden work

Local and Import of office furniture's, equipment and interior works (Office work stations, meeting rooms, conference Halls, canteen)

OUR SERVICES

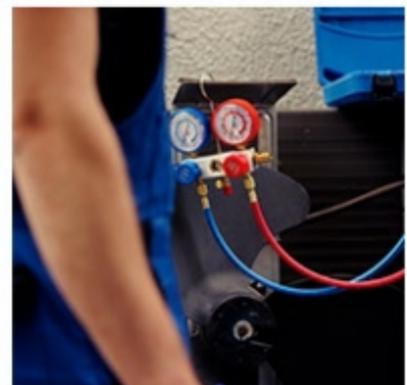

HVAC WORKS

We install, maintain and repair climate-control systems in homes, schools, hospitals, factories, offices, providing thermal comfort and maintaining good indoor air quality is our main purpose. We strive to install systems with the perfect quality-cost balance that successfully provides superior air quality while incurring low energy costs and allowing easy maintenance.

What sets us apart is that our team undergoes continuous extensive training that is unmatched in the industry. We follow blueprints and specifications for installation, inspect and maintain systems, install controls, test individual parts, and replace worn-out components:

- **Ventilation and air filtration systems**
- **Chilled water systems**
- **DX/VRV systems**
- **Package units**
- **Extract fans**
- **Fresh Air Handling Units**
- **Ecology Units and Make up Air Handling Units**
- **CCU**
- **GI and PI Ducting**

OUR SERVICES

PLUMBING WORKS

Cosmo Infrasoutions puts lots of emphasis to ensure that every plumbing system installed is equipped with well sized and securely connected pipes, drains fittings, valves, valve assemblies and devices for the proper distribution of water. Our Designers always assure to implement global and UAE regulations and standards to guarantee delivering best quality. The plumbing systems that we specializes in:

- **Sanitary and drainage systems**
- **Water distribution**
- **Water treatment**
- **Variable and fixed speed pumping systems**
- **Solar Heaters**
- **Irrigation systems and controls**
- **Sand traps and grease traps**

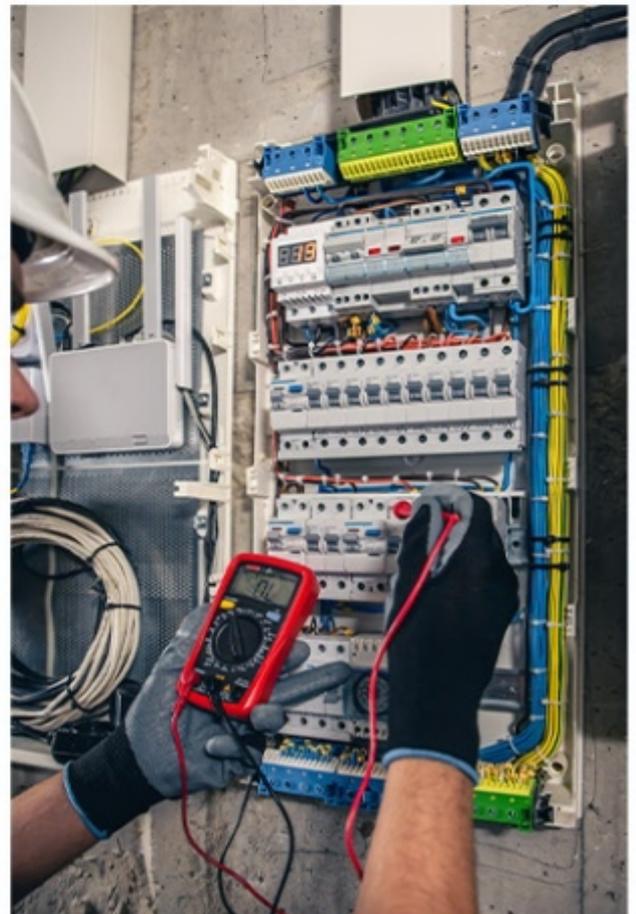

OUR SERVICES

ELECTRICAL ENGINEERING SERVICES

We offer end-to-end Electrical Engineering solutions with a strong emphasis on quality, safety, and regulatory compliance. Our comprehensive range of services spans across consultancy, High Tension (HT) and Low Tension (LT) electrical works, as well as supply, installation, and project execution:

- **Electrical & Civil Consultants**
- **Designing**
- **Efficient Layout, SLD & BOQ**
- **Budget Estimation**
- **Electrical Solutions**

ELECTRICAL SERVICES – H.T SIDE

- High Tension Line Work up to 11 kV
- Overhead/Underground Independent feeder line
- Power Transformer/V.C.B./H.T Panel/Metering Panels
- H.T. Cable Joints with Heat Shrinkable Cable Jointing Kits
- H-Pole with P.C.C. Poles or Steel Tubular Poles
- G.O. Switch & D Fuses/C.T & P.T.
- Laisioning Work as per SEB rules & regulations

ELECTRICAL SERVICES – L.T SIDE

- L.T Panels
- Distribution Panels
- MCC & PCC Panels
- HVAC Panels
- L.T XLPE/PVC Cabling(Armoured / Unarmoured /Flexible)
- Cable Management Systems (cable trays, raceways)
- Maintenance Free Chemical Earthing(G.I/Copper)
- Industrial Sockets
- Electrical Panels
- Switchgears
- Bus duct

SUPPLY

- Power Cable
- Transformers
- All kind of A class equipment's
- LED Lights, Cable Tray
- Industrial Sockets
- Electrical Panels
- Switchgears

OUR SERVICES

MEP DESIGN & INSTALLATION WORKS

We can undertake complex MEP design & build projects at any level, up to major residential, commercial & industrial sector projects with high. We offer a full MEP design and build service for our clients using the most innovative & energy-efficient products to provide state-of-the-art installations that save both time & cost. Throughout the construction phase we provide cost-effective and maintainable product to our clients.

OUR SERVICES

FIRE FIGHTING SYSTEMS

The reliable protection systems we install have one main purpose, which is to prevent the interruption of services necessary for the public welfare and avoid area-wide conflagrations, all the while putting the safety of life at the utmost priority:

- Fire suppression systems
- Fire extinguishers
- Fire hose reels
- Fire hydrant systems
- Automatic sprinkler systems
- Dry and wet riser
- Fire doors

OUR SERVICES

BUILD MEP

ENGINEERING

Our success stems from its dedication to provide customers with proven professional services and cost-effective solutions driven by transparency. As such, the company focuses on delivering tailor-made projects with quality-centric workmanship.

We have an in-house technical team offering round-the-clock services to ensure that our clients are satisfied from project inception until its final completion. Our broad range of engineering services and solutions include:

- **Conceptual and preliminary engineering**
- **Design review and value engineering**
- **Project cost estimation**
- **Equipment and materials procurement**
- **Planning and scheduling**
- **Detailed design & shop drawings**
- **Inspection, quality assurance & control**
- **Testing & commissioning**
- **Operator training**

OUR SERVICES

STRUCTURAL WORKS

PV STRUCTURE WORKS

All kind of PV Structure works for WH, STORE, OFFICES and MS/SS structure works along with canopy.

FABRICATION WORKS

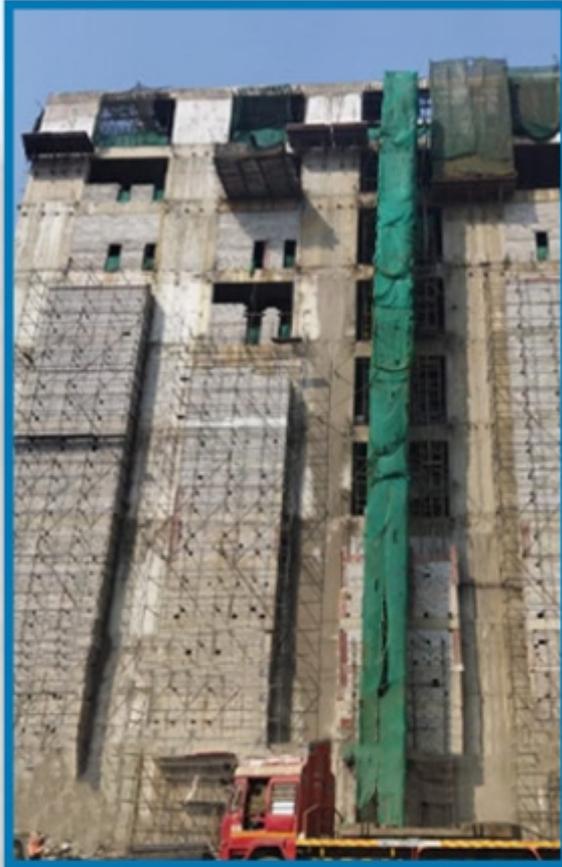

All kind of GI, MS, SS Structure works up to 1000MT

FENCING

All types of High security fence, chain-link fencing along with Security gates

LIST OF PROJECTS

S.No	Project Location	Work Category	Services	Status
1.	Mumbai (Maharashtra)	Civil (Exterior & Interior) & façade	All Kind of Civil, Finishing, Architectural , Structure work , Dry wall , Raised floor, Ceiling work , epoxy flooring , CAC work, Road works, Furniture and ACP facade cladding.	WIP
2.	Mehsana (Gujarat)	Electrical & LV Low side works & Civil as a Turnkey Service Provider	Civil, Finishing, Architectural, Pre Cast Boundary wall , Electrical work, Road Works	Completed
3.	Pune (Maharashtra)	Structure Strengthening	Retrofitting & Strengthening at First Floor	Completed
4.	Pune (Maharashtra)	Civil & import of office furniture and equipment.	Security & SOC Room Equipment Works which includes import of customized furniture and office equipment.	Completed
5.	Bhopal (Madhya Pradesh)	Electrical & LV Low side works. Electrical panel	CSS 2500 KVA x 2 , DG 2500 KVA , BBT , LT Panels , UPS , SMPS , Power cable & Cable tray Laying	Completed
6.	Jodhpur (Rajasthan)	Electrical & LV Low side works & HT Work	2000 KVA TRF , Power Cable , Cable Tray Laying , Switch Room 4500 SQ Feet	Completed
7.	Surat (Gujrat)	Electrical Low side & DG Low Side	DG 910 KVA X 2 , TRF - 1000 KVA , LT Panels , UPS & SMPS , 3000 SQ Feet	Completed

LIST OF PROJECTS

S.No	Project Location	Work Category	Services	Status
8.	Varanasi (Uttar Pradesh)	Electrical Low side & DG Low Side	DG 2500 KVA , Low side work	Completed
9.	Bhubaneshwar (Odisha)	Fire & Safety	SITC of Fire Hydrant/Sprinkler System	Completed
10.	Indian Railway	Civil, Heritage Renovation and Electrical	Upgradation of 20 Railway Junctions, Renovation of 1 Lacs Sqr Feet Heritage Area. Road, Pathway, Stone Cladding, Waterproofing etc. , Electrical Work of Railway Building SITC & AMC of 150 Numbers Space Maker Industrial Air Conditioners	WIP
11.	PAN India	Structural Design and drawings	All Kind of Structural Design and drawings - Civil , Electrical , MS works including Boundary Wall (Brick/Block/Pre-Cast) and High security fence	WIP
12.	Gujrat and Andhra Pradesh	EPC (SNP)	All Kind of Civil, Finishing, Structure work , Road works, Grading work , BW works , Electrical , trenching and ducting , and High security fence	WIP
13.	PAN India	EV Charging Stations/ HUB	Design and build (Civil and Electrical) EV Changing Stations/HUB	WIP
14.	PAN India	Solar Projects	Several large-scale solar projects have been recently completed.	Completed
